Thanks, John! I'll take a look at it today and get you any comments I may have. Where are you today, DC or Philly?

Subject CSI CAFO final draft

after much cursing at the word processor, I think I have attached a cleaned up draft with all the changes previously discussed. Please send me your comments asap and I send it to CSI's attorney in the remote hope of getting it done this quarter.

I will probably be working in DC tomorrow unless I can be more creative. Please open/print in WORD to preserve the formatting for your review.

Thanks,  
John
